

## Long Line of Cars

Cake

There's a long line of cars  
And they're trying to get through

There's no single explanation  
There's no central destination

But this long line of cars  
Is trying to get through

And this long line of cars

Is all because of you

You don't wonder where we're going  
Or remember where we've been

We've got to keep this traffic  
Flowing and accept a little spin

So this long line of cars  
will never have an end

And this long line of cars  
Keeps coming around the bend

From the streets of Sacramento  
To the freeways of L.A.

We've got to keep this fire burning  
and accept a little gray

So this long line of cars

Is trying to break free

(drawn out words)  
And this long line of cars  
Is all because of me  
This long line of cars  
Long line of cars  
Long line of cars  
Long line of cars
