

Love You Madly

Cake

I don't want to wonder
If this is a blunder
I don't want to worry whether
We're gonna stay together
'Till we die

I don't want to jump in
Unless this music's thumping
All the dishes rattle in the cupboards
When the elephants arrive

I want to love you madly
I want to love you now
I want to love you madly, way
I want to love you, love you
Love you madly

I don't want to fake it
I just want to make it
The ornaments look pretty
But they're pulling down the branches
Of the Tree

I don't want to think about it
I don't want to talk about it
When I kiss your lips
I want to sink down to the bottom
Of the sea

I want to love you madly
I want to love you now, yeah
I want to love you madly, way
I want to love you, love you
Love you madly

I don't want to hold back
I don't want to slip down
I don't want to think back to the one thing that I know I
Should have done

I don't want to doubt you
Know everything about you
I don't want to sit across the table from you
Wishing I could run

I want to love you madly
I want to love you now
I want to love you madly, way
I want to love you, love you
Love you madly
