

Never Gonna Give You Up

Cake

Whatever, whatever, girl I'll do
Forever and ever yeah yeah yeah yeah, I'll see you through
Because I've got to keep you pleased in every way I can
I'm gonna give you - all you, as much as you can stand
I'll make love to you right now, that's all I want to do
I know you need it girl, and you know I need it, too

'Cause I've found what the world is searching for
Here, right here, my dear
I don't have to look no more
And all my days, I hope and I pray
For someone just like you to make me feel the way you do

Never never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Though I just can't live without you
I'm never ever gonna quit
'Cause quittin' just ain't my shit
Gonna stay right here with you
Gonna do all the things you want me to

Whatever you want, girl you've got it
And whatever you need, i don't want to see you without it
That's right
Because you've given me much more than words can ever say
And oh my dear I'll be right here until my dying day
I don't know just how to say all the things I feel
I just know that I love you so when you give me such a thrill

'Cause I've found what the world is searching for
Here, right here, my dear
I don't have to look no more
And all my days, I hope and I pray
For someone just like you to make me feel the way you do

Never never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Though I just can't live without you
I'm never ever gonna quit
'Cause quittin' just ain't my shit
Gonna stay right here with you
Gonna do all the things you want me to

Never never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Though I just can't live without you
I'm never ever gonna quit
'Cause quittin' just ain't my shit
Gonna stay right here with you
Gonna do all the things you want me to
