## The Lord Knows I'm Drinking

**Cal Smith** 

Hello, Mrs. Johnson You self-righteous woman Sunday School teacher What brings you out slumming

Do you reckon the preacher Would approve where you are Standing here, visiting With a back sliding Christian In a neighborhood bar

Well, yes, that's my bottle And, yes, that's my glass And I see you're eyeballing This pretty young lass

It ain't none of your business But, yes, she's with me And we don't need no sermon You self-righteous woman Just let us be

## [CHORUS]

The Lord knows I'm drinking
(The Lord knows I'm drinking)
And running around
(And running around)
And He don't need your
Loud mouth informing the town
The Lord knows I'm sinning
(The Lord knows I'm sinning)
And sinning ain't right
(And sinning ain't right)
But me and the Good Lord's gonna
Have us a good talk later tonight

Goodbye, Mrs. Johnson You self-righteous biddy I don't need your preaching And I don't need your pity

So, go back to whatever You hypocrites do And when I talk to Heaven Be nice and I'll put in A good word for you

[Repeat CHORUS]
