

Death Eternal

Calabrese

You say to me
What you wanna hear
No one listens, no one cares

I'll be someday
Something I am not
We don't wanna be like you
No!

Whooaahh death eternal
Whooaahh death eternal
Whooaahh

Why do people say
She waits for me
As I can't return her love
No there is till I tell her
When we bathe in virgin blood

Whooaahh death eternal
Whooaahh death eternal
Whooaahh

Death eternal (death eternal)
Death eternal (death eternal)
Death eternal (death eternal)

Whooaahh death eternal
Whooaahh death eternal
Whooooaaahh...
