

Dead Man's Will

Calexico

Give this stone to my brother
'Cause we found it playing in the barnyard many years ago
Give this bone to my father
He'll remember hunting in the hills when I was ten years old

May my love reach you all
I lost it in myself and buried it too long
Now that I come to fall
Please say it's not too late now that I'm dead and gone

Give this string to my mother
It pulled the baby teeth she keeps inside the drawer
Give this ring to my lover
I was scared and stupid not to ask for her hand long before

May my love reach you all
I lost it in myself and buried it too long
Now that I come to fall
Please say it's not too late now that I'm dead and gone
