You need that (4x)
Fuck you real proper
Eat it like a monster
Have you scream papa
Like you singing Oprah (2x)

Enought said I don't need no fucking intro, cause when I pull my dick out, I'm whippin out a limmo, these bitches hit me up they try to sneak me through they window, but her pussy played out like Atari and Nitendo. She did her thang with the brain she went insane but her dick riding was wack, Point Blank Period, beat the pussy had this bitch going delirious, (Can you eat me out?), Bitch please is you serious?! Now on to the next chick, and and and she got bigger tits, but her friend really with this, she told the bro she trying hit this, ayee, now that's a different story have of these bitches in L.A, they really start to bore me, I have the baddest bitches getting wet and horny, if I let my dick hang, I bet you she will explore me!
