

Get Up Or Get Down

Call the Cops

She looks... better than ever
She's so... but dammit I want her
Everytime she moves her hips
Her lips just start to blow a kiss
There's no end to this
Girl quit playing games

'Cause everytime we touch I never get enough
No matter what you do you always kill me
'Cause everytime we touch you never get enough
So baby let's dim down the lights get up or get down

Get up get up, get up or get down
Get up get up, get up or get down

Your curves, your scent, your eyes
It's hard to imagine that you could be so shy
Don't wanna be cool but darling
I don't want to waste, another perfect night
Above the waist, I'm begging you please please please

Cause everytime we touch I never get enough
No matter what you do you always kill me
'Cause everytime we touch you never get enough
So baby let's dim down the lights get up or get down

Get up get up, get up or get down
Get up get up, get up or get down
Get up get up, get up or get down
Get up get up, get up or get down

She's everything I wanted, everything I needed
She's everything I'm not (she's everything I'm not)
She's everything I wanted, she's everything I needed

Now show me what you got (she's everything I needed)
She's everything I wanted, She's everything I needed
She's everything

(Get up get up, get up or get down)
(Get up get up, get up or get down)

She looks... better than ever
She's so...

Cause everytime we touch I never get enough
No matter what you do you always kill me
'Cause everytime we touch you never get enough
So baby let's dim down the lights get up or get down

Cause everytime we touch I never get enough
No matter what you do you always kill me
'Cause everytime we touch you never get enough
So baby let's dim down the lights get up or get down

Get up get up, get up or get down
Get up get up, get up or get down

Get up get up, get up or get down
Get up get up, get up or get down
