

Monument

Calla

So far and gone
Sleepwalk, wake or run
Come back or leave me out
You can leave me out

Last night I swore I saw her come to me in a dream
Like a storm forming
Father, will She come again?
I've seen the day conquer the night
Drifting with the wind like dawns curtain closing as it caves m
e in

So far and gone
(Salió sola)
Sleepwalk, wake and run
(Salió sola)
Come back or leave me out
You can leave me out

I thought I'd never see the day gone
It slipped away
God, I got carried away
