Obey Me...

Callenish Circle

Obey me, seduce me and fucking please me Kneel down, now touch me, adore me and serve me Never forget my wish is your command What I want is what I get ... is what I get My final warning I'll hunt you down I hear you, I feel you, I fucking smell you Don't you dare to run away My final warning-shot, you're begging Your begging turns me on... turns me on My final warning I'll hunt you down I hear you, I fucking feel you, I smell you Don't you dare to run away Please come out Come home with me I'll never touch you anymore I can't be alone tonight It will be the same as before Don't hate me, call me Come see me Don't be afraid Where are you, can't fucking see you, I seek you You can't hide away from me My final warning I will shoot you down
