

# Thank You

## The Calling

Intro:

Verse:

Look around, the writing's on the wall  
Don't you think we're all feeling crazed  
In a world, where nothing's as it seems  
Paved with broken dreams, i found truth  
My God, I should know you're right  
I should know it's right to say  
I think you for my days

Chorus:

Come around  
and see the other side  
Stepping stones,  
away from the limelight  
Come around  
and breathe in piece of mind  
And for it all,

I thank you.  
I thank you.

Sit down, lose yourself in thought  
Then you might find out it's all we've got  
Take a chance, the future's in your hands  
Make it what you can before your time has reached the end  
Chorus

Come around and see the other side  
Stepping stones, away from the limelight  
Come around, and breathe in piece of mind  
And for it all..  
You'll make it on your own  
Yeah, You're free...  
Stepping stones away from the limelight  
Come around and breathe in piece of mind  
and for it all I thank you,  
I thank you, I thank you, I thank you
