My Way

Calvin Harris

Why wait to say, at least I did it my way Lie awake, two faced But in my heart I understand I made my move and it was all about you Now I feel so far removed

You were the one thing in my way My way, oh way, oh way, oh way My way, my way, my way

Why wait to say, at least I did it my way Lie awake, two faced But in my heart I understand I made my move and it was all about you Now I feel so far removed

You were the one thing in my way You were the one thing in my way

My way, oh way, oh way, oh way My way, oh way, oh way, oh way My way, oh way, oh way, oh way My way, my way, my way

You were the one thing in my way You were the one thing in my way You were the one thing in my way You were the one thing in my way You were the one thing in my way You were the one thing in my way

My way, oh way, oh way, oh way My way, oh way, oh way, oh way My way, oh way, oh way, oh way My way, oh way, oh way, oh way My way, oh way, oh way, oh way
