

## Before This Moment Leaves

Calvin Richardson

Tell me where to go  
(Mmm)  
Tell me what I need to say  
There's a part of me that's gone  
(Mmm)  
You're the part of me that's gone away  
(Eh)  
Together were alone  
Its like the best of me is gone

Tell me where to go (oh baby)  
Tell me what I need to say (oh na na)  
Will you help me with these tears  
I feel like I'm about to break  
All the way down babe  
Just Tell me that im wrong  
Babe  
I want you for the long hall  
Right here with me  
(oooooo Ehhh)  
(oooooo)

Tell me where to go (mmm)  
Before this moment leaves
