Work shift is over 00000 I've got just one thing on my mind Mmmm Such a divine lady All spends been on me All dav But I'm headed your way It's all right (000) It's on tonight lady About to get up out this joint Cause you're gonna be home in a minute Ain't no doubt gonna run it down All up in it Just as soon as you walk in turn out the light Just let me satisfy All night long temptation strong Cause you're gonna be home in a minute Won't waste no time Messing around All up in it Boy when you come home Lets take our time (gonna take our time) Just let me satisfy (000) I love the way we get it on You text me you're ready (0000) In your t-shirt and panties So profound (so profound) You're perfectly brown (sexy brown) Skin baby I wont be long girl (Nooo) I'm on the corner where sex and drive (sex and drive) Come together and intertwine (intertwine) I smell the smell of your perfume Cause you're gonna be home in a minute Ain't no doubt gonna run it down All up in it Just as soon as you walk in turn out the light Just let me satisfy All night long temptation strong Cause you're gonna be home in a minute Won't waste no time Messing around All up in it Boy when you come home Lets take our time (gonna take our time) Just let me satisfy (000) I love the way we get it on

Oooo Baby There's no place you're like no other Lady The right explosion I can just do Save me No one as good as me As long as there's you Hold me tight And don't you let go

Home in a minute Ain't no doubt gonna run it down All up in it Just as soon as you walk in Just turn out the light baby Just let me satisfy (let me satisfy you) All night long temptation strong Cause you're gonna be home in a minute Wont waste no time Me'ssing around All up in it Boy when you come home Lets take our time Just to satisfy I love the way we get it on (2x)
