

Put My Money On You

Calvin Richardson

Put my money on you
Bet she won't abuse my love
No, she won't (yes, she will)
If she do (it's all good)
Many hearts in the house tonight
But I bet this shorty's gonna be my wife
If I lose it all, it's just money spent
As long as I can pay my rent

I ain't rich, I ain't poor
(Working at the corner store)
Taking out the trash and sweeping floors
(It's alright but I want some more)
8-5 7 days a week, I work (on a salary)
So I can't ball like the other guys ball
(What I got I put it on you)

Put my money on you
Bet she won't abuse my love
No, she won't (yes, she will)
If she do (it's all good)
Many hearts in the house tonight
But I bet this shorty's gonna be my wife
If I lose it all, it's just money spent
As long as I can pay my rent

I know, I know
(This might sound a tad bit crazy)
I don't know for sure
(But I think I found an angels baby)
I met a girl in the club last night
(She could be my wife)
Now I'm 'bout to roll the dice
(Girl everything I got I put it on you)

Put my money on you
Bet she won't abuse my love
No, she won't (yes, she will)
If she do (it's all good)
Many hearts in the house tonight
But I bet this shorty's gonna be my wife
If I lose it all, it's just money spent
As long as I can pay my rent

Been saving my pennies, nickels, and dimes
I knew one day I'd find a girl just like you
She make my heart go pa pit pat
And I never had a girl do that
Oh yeah... I think I'm in love
Saaay...say girl I'm in love with you

Put my money on you
Bet she won't abuse my love
No, she won't (yes, she will)
If she do (it's all good)
Many hearts in the house tonight
But I bet this shorty's gonna be my wife

If I lose it all, it's just money spent
As long as I can pay my rent
