Calvin Richardson

1, 2, 3, 4

You possess my body, baby  
(Sexy girl, just stand up)  
I feel you in my mind  
(Move your hands like you're rubbing me)  
Makes my heart beat, baby  
Like rain in the summertime

What's this food for, I don't wanna eat, babe  
What's this bed for, I can't even sleep lately  
Unless you're gonna feed me, girl  
You the one I want to put me to sleep, babe

You got me back and forth to the door  
Peepin' at the window 'cause I need a hit of your love, baby  
All my friends look at me crazy  
But they don't know that tasty love I'm gettin' from you, babe

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime

I'm never stressin', learned my lesson when you come around  
You make it better, baby  
I know them other angels must be missing you, girl  
But if they think I'm lettin' go of you, they gotta be crazy

I'm hooked on you  
You're one in a million, you can't be two  
Full throttle, you got me by the collar  
You make me wanna holler, girl

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime

Told my mother the other day I got laid  
She asked me how I feel, I know I gave her chills  
I told her that it felt like I'm having a baby, yeah

Oh, momma told me, keep my head right  
Momma told me, keep you at the limelight  
Momma told me if I love you, give you what you want  
(I'll take you shopping, baby, tell me where you wanna go)  
(I'll send you flowers for no special reason, just to let you know)

Momma told me, tell my friends  
(Don't come around when it's you and me time)  
Even if they say it's only gonna take a minute

Ain't got time, 'cause that's your time

Don't worry, mamma, I got this  
You, you, you got my mind, oh  
You make me feel so crunk, girl  
When I talk about her, in my throat, I get a lump  
(Let's go, baby)

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime

You possess my body, baby  
I feel you in my mind  
Makes my heart beat, baby  
Like rain in the summertime
