

## May Be Someday

Calvin Russell

Oh you know I really felt like givin' up today  
I couldn't find a real good reason to go on this way  
Went to my gypsy to have my fortune read  
She just took one good look and this is what she said

Maybe someday  
Things will get better  
Maybe someday  
But what do I do 'till then ?

Maybe someday  
But what do I do 'till then ?

Oh really felt like givin' all that up today  
I couldn't find a real good reason to go on this way  
Went to my gypsy to have my fortune read  
She just took one good look and this is what she said

Maybe someday  
Things will get better  
But what do I do 'till then ?
