

## Cut Me Off

Cam Meekins

Sick spitter with the flow shit bitter like burned butter  
But I bang on the game pick Pain but burn blunters  
No games while you David and bustered  
I'm gettin flustered  
Rollin down my windows askin for f\*\*kin mustard  
Small fries on these fast food rappers I take em out  
Pick plenty pop rappers I'll smash with no clout  
Smash mouth  
What I raised on my lines doin coke  
That post nasal drip got me literally spittin crack  
Get back. with These toys no need for decoys  
I'm out in beantown gettin brain like BC boys  
But f\*\*k a university is what had just occurred to me  
Cause I been writin raps way before the f\*\*kin nursery  
Ya ya we know I'm ballin like a free throw  
And that's my alter ego but on God I'm real Bro  
Bowl cruisin a passat no facades in my bars on the track spit stomach full  
of scars bitch Ahhh

But you didn't have to cut me off  
Now you're just somebody that I used to know  
But you didn't have to cut me off  
Have your friends collect your records and then change your number

But you didn't have to cut me off  
Now you're just somebody that I used to know  
But you didn't have to cut me off  
Have your friends collect your records and then change your number

Flick flicking the blunt the flipped spitter  
Pick pounds of the best picked piffs And spliff litterly  
Seeds in my weed no need just ask lex  
Smoke mad hash fall to the ground don't pass tests  
I'm a neva need know help  
Not even we know  
Displeased if my trees low  
Being baked like bistros  
No motivation in  
Our generation  
I'm jus chillin in a basement lookin for any occasion and man  
I be outty playin hooty fruity tooty rap records on my way to ruby  
Tuesday's or the movies  
Buyin rounds on yo bitch ass  
Watch this gold record fly by bitch think fast get whip lash  
I came in the game just to claim what I can  
Lyricism on these off brand bitches with no lane  
No backpack puffin a sack it's f\*\*k frat rap  
Tryna act hard you should get some f\*\*kin arm Tats

I ain't in college I ain't even go to class  
Back in high school but you know a motha f\*\*ka passed  
Pass blunts to the left side no ash on my dashboard  
Whores tryna ride with us but I don't even skateboard  
Stickin digits in they cellular devices  
I'm a nicer guy in person on these verses bronchitis  
And these teens f\*\*k widdit like  
Model bitches gold diggin

Real with my rap game u just Nicole kidmann  
Are you kiddin?
