

# Do Ya Thing (Remix)

Cam'ron

This is a remix  
Dipset, Killa Cam, duke da God  
I make cheddar that's cheddar, you gotta say bravo  
Ma mess with me, I'm better than lotto  
Got more than a million, fuck a dollar and a dream  
You don't even need a dollar, holla at the team  
Chicken, cornbread, collared on your greens  
Mansions, cars, Prada on your jeans  
Hell in Harlem, I'm poppin' up in Queens  
Brooklyn, the Bronx, hoppin' on the scene  
And you're not from the regime and I'm popular with fiends  
No gossip they cop it, crotched up in a lean  
Cars I cop it, crotched up and I lean  
Seventy five, dropped it on a Beam  
And you love the way I'm bouncin' it, weed I roll a pound of it  
Ya'll niggaz are counterfeit, money I stay countin' it  
Throw a punch and I counter quick, down to flip  
Beef I love the sound of it, your crib'll be surround in it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa  
Yes, honey got money, yea my money is right  
But my wrist so bright, look like 'Sunny Delight'  
Twenty K times twenty, times twenty the price  
You don't do math, eight million in ice  
And yeah, I got more to tell must be bored as hell  
Electronic jewelry, I need a 'Duracell'  
Battery triple A, where the icicles lay  
And beat you with a wiffle bat, all over a nickel play  
Girlfriend, my girlfriend got the nickel plate  
Right in the bra, it tickle her little nipples, hey  
Juelz got the whistle  
Me, I got the whistle that whistle right through the pistol K  
And this is the chronicles of Killa  
And don't smoke 'cause the chronic it'll kill ya  
I'm a monster and gorilla, that'll conquer for the scrilla  
You will get an invoice you vomit in the villa  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
Do ya thing, do ya thing, do it  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa  
More killing killing, more killing killing, for Killa, Killa
