

# Burning House

Cam

I had a dream about a burning house  
You were stuck inside, I couldn't get you out  
I laid beside you and pulled you close  
And the two of us went up in smoke

Love isn't all that it seems I did you wrong  
I'll stay here with you until this dream is gone

I've been sleepwalking, been wandering all night  
Trying to take what's lost and broke and make it right  
I've been sleepwalking too close to the fire  
But it's the only place that I can hold you tight  
In this burning house

See you at a party and you look the same  
I could take you back but people don't ever change  
Wish that we could go back in time  
I'd be the one you thought you'd find

Love isn't all that it seems I did you wrong  
I'll stay here with you until this dream is gone

I've been sleepwalking, been wandering all night  
Trying to take what's lost and broke and make it right  
I've been sleepwalking too close to the fire  
But it's the only place that I can hold you tight  
In this burning house

The flames are getting bigger now  
In this burning house  
I can hold on to you somehow  
In this burning house  
Oh, and I don't wanna wake up  
In this burning house

I've been sleepwalking, been wandering all night  
Trying to take what's lost and broke and make it right  
I've been sleepwalking too close to the fire  
But it's the only place that I can hold you tight  
In this burning house
