

Breathless

Camel

She is my first love
Graceful in all her ways
Holding the insight
Turning the sky from night into day
She won't fail to take my breath away

So soft the silence
She brings before the dawn
A time of twilight
When all the world waits, to be reborn

Nobody knows her name
No one, knows how she came to be here at all
Giving her loving, hoping, to everyone
Giving her hoping, to everyone (x6)

Old as the hills
Young just like the rising sun
Over fields, that lie
Away beneath her feet
Every time we meet
She takes my breath away
