

## City Life

Camel

Wake-up,  
Wake-up, wake-up  
Signs tell the time  
you're wasting.

Wake up  
wake-up, wake-up  
Life you will find  
is changing.

O the city life,  
endless confusion.  
Hanging on too tight,  
to this illusion...

I'm not what I appear to be.  
I couldn't take the honesty,  
It seemed to be...  
too easy for reality.

O the city life,  
what have I come to?  
Faces in the night,  
friendly to fool you.

I always try to justify,  
the way I am and wonder why  
I couldn't be...  
the same to you I am to me.
