

## For Today

Camel

I saw a pearl of wisdom  
In the spirit of a man  
As he saved  
The day he lost.

Time will say I told you so  
If we look back in regret.  
Never give a day away.  
It won't return the same again.

Nothing can last  
There are no second chances.  
Never give a day away.  
Always live for today.
