

Remote Romance

Camel

It's automatic
There's too much static
Ooh your signal's fading
Life is more baiting
Ooh your signal's fading

Remote - remote
Romance - romance

Rush-button passion
I won't repeat it
Wait a minute
Wait a minute now

It's just a sequence
It makes no real sense
It's just a sequence
It makes no real sense

It's automatic
There's too much statix
Can't get no feed-back
I'm on the wrong track

Wait a minute
It don't make a lot of sense
Just a sequence
It makes no real sense
