

## Away with Murder

Camera Obscura

How many times have you told me you wanna die?  
How many times have you told me now that you've tried?  
Ooh and how many times will I let you get away with murder?  
Ooh and how many times will you make me feel more alive?

Hey, I got a feeling there's something going wrong  
I put my thoughts in a letter, send it when I'm feeling strong  
In the time you became the girl that you wanted to be  
Oh I told you all along there was no point looking to me

Oh, it's been hard to be strong  
All of this going on  
Yes, it's been hard to be strong  
With all this going on  
I've been lonely too, like you,  
I'm just like you....  
I'm just like you....

People have been travelling miles just to hear us sing  
It's a February night & I don't wanna feel anything  
To get away, maybe I could sell kisses  
In Portland I tried my pretty hand at fishing

Oh, it's been hard to be strong  
With all this going on  
Yes, it's been hard to be strong  
With all this going on  
I've been lonely too, like you,  
I'm just like you....  
I'm just like you....  
I'm just like you....  
I'm just like you....

Hey, I got a feeling there's something going wrong  
I put my thoughts in a letter, send it when I'm feeling strong
