

Lloyd, I'm Ready to Be Heartbroken

Camera Obscura

He said "I'll protect you like you are the crown jewels"
yet
Said he's feeling sorrier for me the more I behave badly
I can bet

Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment

Jealousy is more than a word now I understand
You can't stay a girl while holding a boy's hand

Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment
Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment

I've got my life of complication here to sort out
I'll take myself to an east coast city and walk about

Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment
Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment
Hey Lloyd I'm ready to be heartbroken
I can't see further than my own nose at the moment
