

# Super Trouper

Camera Obscura

Oh, I was sick and tired of everything  
When you called me last night from Glasgow  
All I do is eat, sleep and sing  
Wishing every show was the last show  
So I imagine I was glad to hear you coming  
Suddenly I feel alright  
And its going to be so different when I'm on the stage  
tonight

Super Trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
Somewhere in the crowd there's you

Facing twenty thousand of your friends  
How can anyone be so lonely  
Part of the success that never ends  
Still I'm thinking about you only  
There are moments when I think I'm going crazy  
But its gonna be alright  
And everything will be so different when I'm on the  
stage tonight

Super Trouper lights are gonna find me  
Shining like the sun  
Smiling having fun  
Feeling like a number one  
Super trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
Somewhere in the crowd there's you

So I'll be there when you arrive  
The sight of you will prove to me I'm still alive  
And when you take me in your arms  
And hold me tight  
I know its gonna mean so much tonight

Super Trouper lights are gonna find me  
Shining like the sun  
Smiling having fun  
Feeling like a number one  
Super trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
Somewhere in the crowd there's you
