

Feeling Down

Camouflage

I know I've lost
the nerve to fight with you;
feeling down,
turning round,
breaking down.
I know I've lost
the strength to fight with you;
breaking down,
I'm chained and bound,
'cause of you.

But you won't see it,
I can't stay with you.
And you should taste
the bitterness in me:
these feelings you can't ignore.

I know I've lost
the nerve to fight with you;
I know I 've lost
the strength to fight with you.

The first time
that my feet touched unknown ground:
secret ways,
secret days,
a waste of time.

The first time
I confronted all your doubts
hidden thoughts,
was it just
a waste of time?

Well you just smiled
and threw it all away.
Now you must have
the wounds I had before:
these feelings you can't ignore

The first time
that my feet touched unknown ground:
The first time
I confronted all your doubts
