

## Thief

## Camouflage

Waiting's over  
Feel it in my blood  
And in my veins  
All the pleasure and the pain  
Is coming back again

Shine a little shine on me  
From within I know that  
Life's making me a make believe ...

Like a little devotion  
Hidden somewhere  
Like a thief is waiting for the night  
Like a precious emotion  
Cautious somehow  
Like a thief is waiting for the night

Words unspoken  
Floating from your mind  
Into your brain  
All the feelings, all insane  
Drives me on again ...

Shine a little shine for me  
From within i know that  
Live's making me a make believe ...
