

This Day

Camouflage

Swimming in a sea of light,
all that I have is a single day,
that can't be changed.
Flower-power, deflored mine,
I'll be amused for a certain time
and I can't change it,
that's all that I can see.

This day,
nothing's gonna knock me down,
This day,
nothing's gonna make the upside down.

Midday's gone,
half a lifetime,
I'm moving around an apple-pie,
it's just refreshment,
Ladies, babies, having fun,
I know that I'm not the only one,
but I can't change it,
now it's time to leave.

This day,
nothing's gonna knock me down.
This day,
nothing's gonna make the upside down.
