Make the octopussy do tha why to see for the night  
Call me by first name - Cheeba, sip the tang divas  
In my sinasex get the intersect, it's the kid  
But she make me want to holla pass a dollar wit glass

Turnin towards Kahlua, knew I shouldn't a ran it through  
And I should clean my shadow, any in that ego  
We could take it to the Lugers, Cheeba make them unfold  
Took my scammer s'now old, meditate on this one  
Check I'm freezin wit the flame I put the blame on tough job  
Generatin low life, Geechi Suede see'est la vie

Shook it off, now start to say one Bogart  
Caca, Caca convince her and bulletproof heart
