On and on and some try to do this Yes y'allin to the Camplo

On and on and some try to do this Yes y'allin to the Camplo

I get Krystal Karrington, ice rock gritty
Carly doh on flowin tea flashers, Acapolco how my sign seen
Second to catch it
First I feel it when I peel it
In the hall wit my orchestra, orchestratin my plans

Gifted Caramela, cinderella hold a fella tight
Make the octopussy do tha why to see for the night
Call me by first name - Cheeba, sip the tang divas
In my sinasex get the intersect, it's the kid
But she make me want to holla pass a dollar wit glass
Sucky, sucky for the nookie, meditatin on that arse
Doc that feel good, but it feel good when I splash
Get me high make me eat the hunky pie, Seaworld

We gone navigate the underground, blammin out Metropolis Higher rock to this said the 85 I take my steez Turnin towards Kahlua, knew I shouldn't a ran it through And I should clean my shadow, any in that ego We could take it to the Lugers, Cheeba make them unfold Took my scammer s'now old, meditate on this one Check I'm freezin wit the flame I put the blame on tough job Generatin low life, Geechi Suede see'est la vie

Shook it off, now start to say one Bogart Caca, Caca convince her and bulletproof heart Its swift ice burglins on clips don't slip They shift the diamonds we suck on my crew and lucky stips

On and on and some try to do this Yes y'allin to the Camplo

Above the aquapool, hovercrafts teleport my lubricant Golden axe, who's the drunken monk, uno delegate Margarita glinch, lyric cannon out my trench Welcome back to Fairy, Sonny Cheeba out garden

(Count to ten) I freaks my porter bloody peaks in Don't theme the pimps for his devil ment (fuck that) Need this, game genie pourin me a weeny and a buttist Sustain that gain while I free fall (Lets do this) Hoppin, sat in not jivin Hijackin trains like (everybody get some) Its like that ho height, elephants speak up Down the wino Jones in pardon if I break up

Protectin east give the signals, got my henchman a mail ya Convincin Kashmir runnin cat scans on sequence

Then we Shalamar assassinate the seminar Simarotta symphony hit the ball flee the globe Dynamo dinero, crusade genie casino Cheeba ride the rhino, royal rubies at Reno Venezuela electric, twistin trees Tahiti Forty these a terror that ever belongs to Suede

(Crash) Tell a tubby 'cause Angelica is tellin a Cash sarratoga, Fahrenheit is flat, fuck the die End of year for this Kashmir, Suede shit bro Microwavin yo ass, and meltin in yo mouth, like
