

## Park Joint

## Camp Lo

Now who got what you don't got, Lo do, next verse  
My alumni comply will shank high, slide, then curve  
On some Suede shit, and my ambiance be on some far  
Don't you reach kid, you can get vamoose, what's the use?  
Well we welling down the whiskey, Cheeba reach the rainbow drive  
Towards the Bermuda Triangle with my high  
Enter the rocket, foul, friend of the cris-tal  
In the Blue Oyster, shooting Zorro to get paid  
Fade into the shade, fine moonshine and wine  
Now dig what I say 'uh', make me say it one more time  
Himalaya playmaker, stashing goods and get the stepping  
Seven minutes in heaven, so I gleam the Lina Horne  
This way the Cheeba will prevail, sail Indian skies  
My display of Bellafonte' ice, cheeky, it's fly  
Got the ravishing ruger, waiver on deck, my sea port  
In the regional hydro-park, post card, and get praised.  
Hottest M.C.'s, blazing the hemp, limp crystal cool  
In another millennium blow the dust off these jewels  
Peep the due, laddie, I blow, operation, pacific  
If they want it, I kick it all the way to Wakiki  
Iron curtain, certain I pull a stocking and skirt-and  
Fa-la-la-la, they run, and chill is chiller  
Dynamo Duo burnt it, at the Bokeemi heat stroke  
Yes Sonny Cheeba with the Satin Struthers make up  
Yo G. Suede!

Chorus:How we gonna do it? one time y'all  
Boogie to the left and to the right y'all  
Why? be the jiggy Camp Lo cats  
Pouring Balentines in your palenstines, Check it out!  
I put on my shades cause I enter the sunset rays  
With the ha-ha, yeah I see you, you see me  
Now it's Bye-ya, heat drop from the cah-cah phase  
Practice yoga, freezing out, spraying Afro-sheen  
The Lo shit be that jiggy shit, Jah, get your wages up  
Lebanon, off the Henny-Dom, higher horizons  
Flagrant, silky step toes don't touch the pavement  
Just toss Ice and Bricks, skimmer slick, ace, duece, tray shit  
My [Bon]ocular, occupy the ocean, off the octagon  
The ooohs! and onyx through the opal, Villa Valore  
Spilling New Score, the green leaf on it, I pour the meeble  
On the fraudulent and galavant, in the Mercury Segal  
Call you Sarafina, I throw my thumbalina, up in Dairy Queen 'uh'  
Seen her, up in the Beamer with the jiggy fox  
Sonny Cheeba, cashmere, no go back to your apple jack  
With no finesse in distress  
And a full confession, on how you messing, getting funky lessons  
>From the Doctor Strange love, apprevesance  
See the star and crescents, when I open up that ass  
She's in wonderland, and we do electric bugaloos  
Now we here at the frontier, by Suede, vintage out  
Cover my square, re-assemble my crooks for assembly  
Make note of my mark, east-trace, slice and brace ox  
All flam and flamboyant, meet me crossroads, one way zones  
If you with it, I'm with it, blow my smoke, claustrophobic  
You can get dealt with, on these flats and you know it  
Come on!  
Chorus(2x)

This is how we do, this is how we do  
Check it, check it out y'all, this is how we do  
This is how we do, this is how we do  
Check it, check it out y'all, this is how we do  
This is how we do, this is how we do  
Check it, check it out y'all, this is how we do  
Lo 'uh', Lo 'uh', check it out, check it out, uh!
