Couldn't wait to leave, but now I hate to go Last day of camp, packing my bags slow Made so many friends, why does it have to end In the end its a win, because we grown so close together Remember when we first met, first day Figured this would be no fun, no way And now its time to leave, but now we wanna stay, stay, stay, oh Hasta la vista I'm gonna say goodbye to you Whatever happens I'll be cool with you Wanna give me your number I'll call ya Promise I won't forget ya Hasta la vista We'll all be going seperate ways Say everything you didn't say This is your moment, before you go Come on now get up and show them Keep doing your thing, thing, thing Keep doing your thing, thing, thing (And I'm gonna do my thing) There's so much inside of me There's so much more I just want to be All the things I've seen, obviously I'm inspired Got love for all the friendships I've acquired Everybody put a hand up, put a hand up, hey, hey, hey Everybody put a hand up, put a hand up and say hey, hey, hey Hasta la vista I'm gonna say goodbye to you Whatever happens I'll be cool with you Wanna give me your number I'll call ya Promise I won't forget ya Hasta la vista We'll all be going seperate ways Say everything you didn't say This is your moment, before you go Come on now get up and show them Keep doing your thing, thing, thing H-A-S-T-AH-A-S-T-A Hasta la vista I'm gonna say goodbye to you Whatever happens I'll be cool with you Wanna give me your number I'll call ya Promise I won't forget ya Hasta la vista

We'll all be going seperate ways Say everything you didn't say This is your moment, before you go Come on now get up and show them

H-A-S-T-A H-A-S-T-A

Hasta la vista !
