

## Here I Am

Camp Rock

They tell you a good girl is quiet  
And that you should never ask why  
'Cause it only makes it harder to fit in  
You should be happy, excited  
Even if you're just invited  
'Cause the winners need  
Someone to clap for them  
It's so hard, just waiting  
In a line that never moves  
It's time you started making  
Your own rules

You gotta scream until  
There's nothing left  
With your last breath, so  
Here I am, here I am  
Make'em listen  
'Cause there is no way you'll be ignored  
Not anymore, say  
Here I am, here I am  
Here I am, here I am

You only get one life to work it  
So who care's if it's not perfect  
Say, "it's close enough to perfect for me"  
Why should you hide from the thunder  
And the lightning that you're under  
'Cause there ain't nobody else  
You want to be  
If how your living isn't working  
There's one thing that'll help  
You got to finally just stop searching  
To find yourself

The world better make some room  
Yeah, move over, over.  
Cause you're coming through  
Cause you're coming through

[Chorus]
