## **Our Time Is Here**

**Camp Rock** 

We're done but it's not over We'll start it again after the end of the day It keeps getting better Don't be afraid we'll do it together

Come on, come on you know It's your time to move, it's my time move Come on, come on let go Leave it all behind your past and mine

Gone are the days of the summer We couldn't change it if we tried Why would we want to, let's go where we got to Our paths will cross again in time

It's never the same tomorrow And tomorrow's never clear So come on, come on you know Our time, our time is here

We know but we're not certain How can we be, how can we see what's ahead The road keeps on turning And all we can do is travel each day to the next

Come on, come on you know It's your time to move, it's my time move Come on, come on let go Leave it all behind your past and mine

Gone are the days of the summer We couldn't change it if we tried Why would we want to, let's go where we got to Our paths will cross again in time

It's never the same tomorrow And tomorrow's never clear So come on, come on you know Our time, our time is here Yeah, come on, come on our time is her

Gone are the days of the summer We couldn't change it if we tried So come on, come on, come on Come on, come on, come on So come on, come on you know Our time, our time is here
