

Too Cool

Camp Rock

I'm too cool for my dress, these shades don't leave my head
Everything you say is so irrelevant
You follow and I my lead, you wanna be like me
But you're just a wannabe, love it or hate it

I can't help the way I am
Hope you don't misunderstand

But I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal, don't get emotional
You know it's the truth I'm too cool for you

You think your hot but I'm sorry you're not
Exactly who do you think you are?
Can't tell you what that you haven't got
When we walk into the room I'm too cool for you

You're lucky I'm so nice, even I'm surprised
You are still allowed to be in my crew
I'll show you how it's done if you wanna be someone
Just watch me and you'll learn some

Me, myself and I agree
You'll never catch up with me

'Cause I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal, don't get emotional
You know it's the truth I'm too cool for you

You think your hot but I'm sorry you're not
Exactly who do you think you are?
Can't tell you what that you haven't got
When we walk into the room I'm too cool for you

You see some are born with beauty, brains and talent
And they got it all
While others have to try all their lives
Still they never get the call

That's the difference between you and me obviously
I'm a natural, I'm the real deal
I can't help the way I am
Hope you don't misunderstand

But I'm too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal, don't get emotional
You know it's the truth I'm too cool for you

Too cool, too cool
Yeah, I'm too cool to know you
Don't take it personal, don't get emotional
You know it's the truth I'm too cool for you
