

We Rock

Camp Rock

Cause we rock, we rock, we rock on
We rock, we rock on

Come as you are
You're a superstar
World in your pocket and you know it
If you can feel that beat
Running through your feet
Hearts racing fast
You're rock and rollin'
All that you need is the music to take you
To some other place
Where you know
You'll belong

Raise your hands up in the air and scream
We're finding our voice
Following our dreams
We rock, we rock,
We rock we rock on
Nobody in the world's gonna bring us down
The louder we go
Well, the better we sound
,Cuz we rock, we rock
We rock, we rock on

We rock, we rock, we rock on
We rock we rock, we rock on

We're finally letting go
Losing all control
Won't stop ourselves
Cause we love it
We're not afraid to be
Everything you see
No more hiding out
We're gonna own it

All that you need is the music to take you
To some other place
Where you know
You'll belong

Raise your hands up in the air and scream
We're finding our voice
Following our dreams
We rock, we rock,
We rock we rock on
Nobody in the world's gonna bring us down
The louder we go
Well, the better we sound
,Cuz we rock, we rock
We rock, we rock on

Got the music in our souls
And it's the thing we want the most
Picks us up when we fall down

And turns our worlds around

Camp rock
We rock we rock on
Everyday and every night
,Cuz we rock, camp rock we rock we rock on
It's all we wanna do in life

Raise your hands up in the air and scream
We're finding our voice
Following our dreams
We rock, we rock,
We rock we rock on
Nobody in the world's gonna bring us down
The louder we go
Well, the better we sound
,Cuz we rock, we rock
We rock, we rock on

Raise your hands up in the air and scream
We're finding our voice
Following our dreams
We rock, we rock,
We rock we rock on
Nobody in the world's gonna bring us down
The louder we go
Well, the better we sound
,Cuz we rock, we rock
We rock, we rock on

We rock, we rock, we rock on
We rock, we rock, camp rock!
