

I'm Not Like Everybody Else

Camper Van Beethoven

I don't take clothes that are hand-me-downs
I don't smile
'Cause I wear a frown
Once I get started you can't hold me down
Once I get going then I go to town
I'm not like everybody else

I don't want to walk around like everybody else
I don't want to live my life like everybody else
I don't want to seek around like everybody else
'Cause I'm not like everybody else

Darling, you know that I love you true
Confess all my sins if you want me to
But there's just one thing I wanna say to you
If you're gonna love me my whole life through
And that's

I'm not like everybody else
Like everybody else
