

## Opi Rides Again - Club Med Sucks

Camper Van Beethoven

I don't have to go to school for an entire week  
I just want to go down to newport beach  
Mom and dad want to tell me where to go  
They wanna go to club med san carlos  
Club med sucks  
Authority sucks  
I hate golf  
I wanna play lacrosse  
The people there, they are so stupid  
They exploit the poor and the weak  
I want no part of their death culture  
I just wanna go to the beach
