

# Shut Us Down

**Camper Van Beethoven**

I've got a 'lectric guitar and half a bottle of warm beer  
I've got some funny ideas about what sounds good  
What sounds good  
Better shut us down  
Better shut us down  
I've got a dollar (fifty) (fifteen) and nothing better to do  
I've got a half tank of gas and nowhere to go  
Better shut us down  
Better shut us down  
Better shut us down.
