

The Day That Lassie Went To The Moon

Camper Van Beethoven

My little dog ran away the other day.
yeah yeah yeah yeah, yeah yeah yeah yeah.
I can't believe my little dog Lassie ran away.
yeah yeah yeah yeah, yeah yeah yeah yeah.

She packed her bags, got into a hot air balloon.
yeah yeah yeah yeah, yeah yeah yeah yeah.
Then my little dog Lassie, she sailed off to the moon.
yeah yeah yeah yeah, yeah yeah yeah yeah.

The day.
The day!
That was the day that Lassie went to the moon!

My little dog Lassie packed her bags and went out on to the porch.
yeah yeah yeah yeah, yeah yeah yeah yeah.
Her golden fur glistened in that sunny blue backdrop of the sky in Kansas.
yeah yeah yeah yeah, yeah yeah yeah yeah.
Before her stretched majestic wheat fields in that great city of the west.
yeah yeah yeah yeah, yeah yeah yeah yeah.
Lassie knew that she could serve the youth of America in the stars above.
yeah yeah yeah yeah, yeah yeah yeah yeah.

The day.
The day!
That was the day that Lassie went to the moon.

The day.
The day!
That was the day that Lassie went to the moon.
