

# Where The Hell Is Bill?

Camper Van Beethoven

Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?

Well, maybe he went to get a sideways haircut  
Maybe he went to get a striped shirt  
Maybe he went to get some plastic shoes  
Maybe he went to get some funny sunglasses

Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?

Well, maybe he went to get an Air Force parka  
Maybe he went to get a Vespa scooter  
Maybe he went to get a British flag  
Maybe he went to go Mod Ska dancing

Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?

Well, maybe he went to get a mohawk  
And maybe he went to get some gnarly thrash boots  
Maybe he went to go ride his skateboard  
Maybe he went to see the Circle Jerks

Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?  
Where, where the Hell is Bill?
