

If I Should Die Tonight

Cancerslug

I have seen your suicides
Melodramatic lives
I have seen your fucked up point of view
I have got no where to go
No one to trust I know
I have got nothing to fucking do
And its all right if I should die tonight
Yeah, its alright with me
I have got my innocence
And I'm going to fuck you with it
And I won't stop until I am through
My mother said that my brain was fucked
And that I would end up dead if I don't stop the stupid shit I
do
