

I am shit but at least I am me.  
I am scarred with malfunction disease.  
I am blackness of heart, mind, and soul.  
I am that which you cannot control.

I am shit but at least I am me.  
I am scarred with malfunction disease.  
I am blackness of heart, mind, and soul.  
I am that which you cannot control.

I am shit but at least I am me.  
I am scarred with malfunction disease.  
I am blackness of heart, mind, and soul.  
I am that which you cannot control.
