

You've Got The Love

Candi Staton

Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

Sometimes I see that the boy is just too rough
And things go wrong no matter what I do
Now it feels like life is just too much
You've got the love I need to see me through

Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

Time after time I say, "Oh Lord what's the use?"
Time after time I say, "This just won't do"
But sooner or later in life the things you love you lose
Just like before, I know I call you

I can't believe my palms, degrading friends of you
I can't believe my fire, oh Lord, what must I do
I can't believe what I caught up, master made me new
But you've got the love I need to see me through

Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

You've got the love (4x)

I need to see me through (4x)

You've got the love, you've got the love, you've got the love
You've got the love, you've got the love, you've got the love

Mmm...
