## **Young Hearts Run Free**

**Candi Staton** 

What's the sense in sharing This one and only life Endin' up just another lost and lonely wife You'll count up the years And they will be filled with tears Love only breaks up, to start over again You'll get the babies, but you won't have your man While he is busy loving every woman that he can, uh-huh Say I'm gonna leave a hundred times a day It's easier said than done When you just can't break away (when you just can't break away)

Oh, young hearts run free Never be hung up Hung up like my man and me My man and me Ooooh, young hearts, to yourself be true Don't be no fool when love really don't love you Don't love you

It's high time now just one crack at life Who wants to live in, in trouble and strife My mind must be free To learn all I can about me, uh-hmm

I'm gonna love me, for the rest of my days Encourage the babies every time they say Self preservation is what's really going on today Say I'm gonna turn loose a thousand times a day But how can I turn loose When I just can't break away (when I just can't break away)

Oh, young hearts run free They'll never be hung up Hung up like my man and me You and me Ooooh, young hearts, to yourself be true Don't be no fool when love really don't love you Don't love you

Oh, young hearts run free They'll never be hung up Hung up like my man and me You and me Ooooh, young hearts, to yourself be true Don't be no fool when love really don't love you Don't love you
