## **Three Times Again**

## Candiria

Don't forget the pain, your destination
Break the core of lies in half
Analyze this thought perception
Plead before the jury of my vine
Courteous, generous the fragments that define witness

Synthetic man the DNA master key man made Tolerable excessiveness Manufacturing the human product While the duplicates are paved is thy pallet satisfied?

False blood additives compatible Snapping the vertebrae revolve around the points Natural law brilliant forces of attraction celebrate

Incriminating substances spew cattle pressed abrasions
Obligated to advancement inspected thoroughly
Oversized dependency the state of art engines are running
Most cunning crawling pig quench to saturate caressing to obliviate

Do not surround yourself with an assembly of resented fools They will leave you plummeting to your death never ending recyc led pool

Third world dissident my teeth are clenching Terrorized in digital in a state of importance

Intimidate discontinue the plagued Convenience three times again Slipping cyber health omnipresent

Rescue evolvilist evaporate the deserts dry Release the valves high pressure pure mentalist Candidate that pacifies send this up to the glands One for you and me rising strong the unities Conquering the corrosions

Run from nothing, run from nothing fast
Blinded by the critical the plots shall come to pass
Pull the grin down off
Choking you to death the fall of empires to come unleash
