

Breathe Me In

Candlebox

You came out of nowhere, and our eyes collide
Like a wall collapsing, a crushing tide
And I saw you laughing, and I saw your smile
It made me anxious baby, it made me high
You ask I answer no, that seat's been removed
You're a deep-rooted tree, an artist's muse
I watch you listen, and I watch you share
You make me want more
And you make me scared
You're so much more than I'd ever hoped

So won't you breathe
Oh won't you breathe
Breathe me in
So I am whole

Oh won't you breathe
Oh won't you breathe
Breathe me in
So I am whole

We're miles from home, we're one another's tribe
An autumn season in a summer's time
And I watch you circle
And baby I watch you fall
You make me feel what I thought
I could never feel at all
And you're so much more
Than I'd ever hoped

So won't you breathe
Oh won't you breathe
Breathe me in
So I am whole
Oh won't you breathe
Oh won't you breathe
Breathe me in
So I am whole

Let it out, let it go, ok to breathe
Let it out, let it go, ok
So much more than
Oh, let it out let it go ok to breathe
Let it out let it go ok
So much more than

So much more than I had ever hoped
So much more than I had ever
So much more than I had ever
So much more than I had ever hoped
Oh won't you breathe me in
Oh won't you breathe me in
Oh won't you breathe me in
