

Consider us the long lonely road
Defenders of the brittlest of bones
The dressers of the prettiest of clothes
Our time is gonna come but we'll have nowhere to go

What do we see before we die, is it beautiful?
What do we say to make you cry, is it wonderful?
What do I sing to save your life, is it magical?
Baby, how would you feel if we were lying?

Remember us we were the last ones on your mind
Escapers from the erased and denied
The rest is up to you sinners we've aligned
Our time is on the run, and it's left to us to decide

What do we see before we die, is it beautiful?
What do we say to make you cry, is it wonderful?
What do I sing to save your life, is it magical?
Baby, how would you feel if we were lying?

What do we see? What do we see?
What do we see? What do we see yeah?
What do we see before we die?

What do we see before we die, is it beautiful?
What do we say to make you cry, is it wonderful?
What do I sing to save your life, is it magical?
Baby, how would you feel if we were lying?
How would you feel if we were lying?
How would you feel if we were lying?
